Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Our Hispanic Southwest For year I have known the country described in this book. Upon my various journeys across the continent I have traversed it many times. But it was not until very recently that I explored it systematically with a distinct object in view. This object was to look up the old Spanish Missions and settlements still scattered through Arizona and New Mexico and along the Texan border - picturesque material that has been sadly neglected by our writers and artists heretofore. Truthfully I was amazed at the result and at the interest of what I found both from an historic as well as a pictorial standpoint. A number of books have dealt with our Southwest - which, to an extent, is our Algeria, our Tunisia - as a land of the great outdoors, as a land of rich possibilities, as a land of promise for those in search of renewed health.
