Jewish Humor on Your Desktop is a series of interactive eBooks that bring hundreds of funny Jewish videos and anecdotes to your favorite screen -- desktop or laptop computer, Kindle, iPad, iPhone, Android phone or tablet. Each video is introduced with a short written commentary explaining its back story. The anecdotes and videos are based on three years and 900 entries from Jewish Humor Central, a blog written by Al Kustanowitz, who has been studying, chronicling, and delivering Jewish humor for more than 30 years. This is the third book in the series, titled Humor in Jewish Life. This book explores the funny, often hilarious situations that occur in everyday Jewish life, including anecdotes from the daily newspapers and blogs that are unbelievable but true. As we often say, you just can't make this stuff up. The book includes 67 anecdotes, most linked to online video clips totaling more than 3 hours. It covers funny incidents involving Jews of all denominations, unusual religious rituals, funny stories involving Jewish food, weddings, TV, music, dance, theater, story telling, and seniors having fun. We hope that these anecdotes and associated video clips give you a new way of looking at the news and discovering the funny things that are happening all around us every day.
