# Applying International Financial Reporting Standards

By Ruth Picker

Wiley John & Sons Dez 2012, 2012. Taschenbuch. Book Condition: Neu. 254x215x34 mm. Neuware - Applying International Financial Reporting Standards, 3rd edition, has been thoroughly updated to reflect the varied and numerous developments in International Financial Reporting Standards (IFRSs). The expert knowledge and authoritative explanations of the author team have resulted in the book being extensively referenced by both the accounting profession and academics in countries that have either adopted, or intend to adopt, international accounting standards. The continuing focus of the second edition of this book is on interpreting, analysing and illustrating the financial reporting requirements under IFRSs. Each chapter contains numerous illustrative examples that present and explain concepts to ensure that users gain a deep understanding of the reporting requirements and meet the knowledge expectations of the accounting profession. The coverage of accounting standards has been expanded in the second edition with the inclusion of new chapters on IFRS 6 Exploration for and Evaluation of Mineral Resources, IAS 18 Revenue, IAS 19 Employee Benefits and IAS 41 Agriculture. This book has been written for intermediate and advanced financial accounting courses, at both undergraduate and postgraduate levels. 1164 pp. Englisch.
