DYSPRAXIA/DCD POCKETBOOK

Management Pocketbooks. Paperback. Book Condition: new. BRAND NEW, Dyspraxia/DCD Pocketbook, Afroza Talukdar, Since the turn of the century, scientific and medical literature has been peppered with case reports of children without an identifiable medical or neurological condition who appeared physically and intellectually normal, yet who lacked the movement competence necessary to cope with the demands of everyday living. These children had previously been described as 'clumsy'. The condition is now widely referred to as 'dyspraxia' or Developmental Co-ordination Disorder. This...
