Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This short research is an abstract of many years of searching about the universe and the creator s existing. Does he? And if it so, what are the duties that human, according to this idea, required? Obviously and briefly, it is a kind of journey inside the self and the nature to find the truth, which everyone must looks for in this world, that leads to many other branches of it. By using his machine(mind), he could find conclusive evidence that no doubt about. The results in this book express a single (the author) human thought used some specific clues to reach the absoluteness. Other researches may or might reach the same, but it is unnecessary they go through the same path as each person( reader or researcher) has its path and tools. This book approves that mind, though the limited resources, is able to reach and get the mental and heart tranquility and serenity. But at the same time, the mind should stop searching about the things that do not make benefit because they might harm mentally...
