AT HOME WITH NUMBERS

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, At Home With Numbers, Jenny Ackland, At Home With Numbers is full of learning activities for young children to do at home. Children, from 3 years old, will learn to recognize and understand the numbers 1 to 5 through drawing, colouring, and matching activities. The book uses a variety of fun tasks to get children counting and sequencing, identifying sets of particular quantities, understanding the terms 'more' and 'less' and doing some basic addition and subtraction. The fun illustrations encourage using a pencil in a controlled way and improve hand-eye coordination. Useful tips support adults so that they can encourage learning gently - plus there are more than enough funky stickers to reward your child as they complete each activity! This book is ideal to build confidence in numeracy for a child's first years at school.
