## These Fiery Frenchified Dames: Women and Political Culture in Early National Philadelphia

---

By Susan Branson

University of Pennsylvania Press. Paperback. Book Condition: new. BRAND NEW, These Fiery Frenchified Dames: Women and Political Culture in Early National Philadelphia, Susan Branson, On July 4, 1796, a group of women gathered in York, Pennsylvania, to celebrate the twentieth anniversary of American independence. They drank tea and toasted the Revolution, the Constitution, and, finally, the rights of women. This event would have been unheard of thirty years before, but a popular political culture developed after the war in which women were actively involved, despite the fact that they could not vote or hold political office. This newfound atmosphere not only provided women with opportunities to celebrate national occasions outside the home but also enabled them to conceive of possessing specific rights in the young republic and to demand those rights in very public ways. Susan Branson examines the avenues through which women's presence became central to the competition for control of the nation's political life and, despite attempts to quell the emerging power of women-typified by William Cobbett's derogatory label of politically active women as "these fiery Frenchified dames"-demonstrates that the social, political, and intellectual ideas regarding women in the post-Revolutionary era contributed to a more significant change in...
