Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Josh and Susan Powell s tragic story began when Susan, Mormon wife of Josh and mother of their two young children, Charlie, 4 and Braden, 2, literally vanished overnight from the family home. Josh claimed that his wife went missing while he was on a late night camping trip with the boys on a very cold night. Although Josh s story was suspicious to law enforcement and they became more suspicious when they found Susan s blood stains on a couch in the home, they never officially named Josh as a suspect, nor did they ever arrest him. Even little Charlie gave some clues to the police when he described and drew a picture of he, his brother and his dad, Josh in the family minivan. When his maternal grandparents asked him why his mom wasn t in the picture, he said that she was in the trunk. He also reported that while the four of them went for a car ride, his mom did not come back. Let s explore Josh Powell s twisted mind and upbringing to find out what went wrong.
