

Gendering Modern German History: Rewriting Historiography

By Karen Hagemann

Berghahn Books, United Kingdom, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Ten essays, each with extensive citations, by prominent German and US scholars consider significant themes in German history. A clearly organized selected bibliography adds to its importance for students and scholars interested in this path breaking shift toward a more balanced understanding of Germany's history. Highly recommended. * Choice A wonderful compendium, perfect for classroom use - and a terrific resource for scholars. The essays provide valuable original perspectives on some of the most significant controversies currently engaging historians of Germany, as they also document just how profoundly careful attention to questions of gender has infused and transformed many subfields in German history - including the study of religion, political protest, war, and colonialism. * Dagmar Herzog, Graduate Center, City University of New York Authors take on the big themes and debates of German history, providing unparalleled evidence -- including extensive footnotes and a bibliographical chapter -- that gender has not only challenged mainstream (malestream) German history but has in many cases, indeed, rewritten it. This rich and thought-provoking book is a must for...

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
