The idea behind Kingdom Magick was originally to assist in teaching Christians, that the concept of magick is not evil, despite the traditions and modern teachings of many in the Christian faith. It works to prove that both magick and miracle are one in the same, and that within the sixty six books of the their Holy Bible, is a mountain of documentation to prove just that. Kingdom Magick is a book centered around the power found in magick and miracles. Its name is based off the scripture found in Luke 17: 21 where it reads the kingdom of God is within you. It isn't simply witchcraft in the everyday since of the already stereotyped word, but it is more of a god-craft than anything else, for we are all children of the Divine. Yes, It applies many of the same principals and practices found in witchcraft, Wicca and other beliefs, but it stands alone and is aimed to educated all those wanting more than what they see in so many of the love starved and powerless churches and religious groups worldwide.
