Into the Dreaming (with bonus material) (Highlander)

By Moning, Karen Marie

Delacorte Press, U.S.A., 2012. Hardcover. Book Condition: New. Dust Jacket Condition: New. 1st Edition. 8vo - over 7¾ - 9¾" tall. Aspiring romance novelist Jane Sillee was completely in love with her fantasy man -- the hot and strapping dark-haired Highlander who'd been coming to her in her dreams for years and inspired her sensual flights of literary fancy. But it was more than her imagination that conjured up the brilliantly woven tapestry sporting the spitting image of her magnificently arrogant warrior. It was more than a dream that transported her to medieval Scotland to break an evil spell. And it was more than she could handle when she found herself wrapped in the muscular arms of Aedan MacKinnon, who had his own fantasies to fulfill.

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
