

## Guide to Indian Herbs (3rd Revised edition)

By Raymond Stark

Hancock House Publishers Ltd ,Canada. Paperback. Book Condition: new. BRAND NEW, Guide to Indian Herbs (3rd Revised edition), Raymond Stark, This well-illustrated handbook describes 52 of the best-known herbs used by the Indians of North America. Each plant is identified by locale, sketch and photograph, and the uses to which each was put are briefly described. Tonics, inhalants, poultices, laxatives, diuretics, sedatives - there was a plant for every need. Some of these tribal remedies passed - often in more sophisticated form - into the repertoire of the medical profession; many others have a secure place in the annals of folk medicine.

### Reviews

*An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.*
