Points de Reference En Amenagement Des Pecheries

By Food and Agriculture Organization of the United Nations

Food & Agriculture Organization of the United Nations (FAO). Paperback / softback. Book Condition: new. BRAND NEW, Points de Reference En Amenagement Des Pecheries, Food and Agriculture Organization of the United Nations, Ce document examine, d'un point de vue tant theorique que pratique, les Points de Reference techniques en aménagement des pecheries. A l'échelle mondiale, en dépit des investissements considerables affectes a l'évaluation des stocks, les pecheries sont surexploitees. Ceci serait du a un déphasage entre la precision de l'évaluation et celle de la gestion. Deux types de Points de Reference sont identifiés: les Points de Reference Cible (PRC) et Points de Reference Limite (PRL). L'utilisation de la Production Maximale Equilibree (connue sous le sigle anglais MSY) comme Point de Reference Cible est reconsiderée a la lumiere des performances passees en gestion des pecheries, et l'on suggere que la MSY, ainsi que d'autres Points de Reference anterieurement utilises comme cibles, gagneraient a etre utilises en tant que PRL. La tendance recente consistant a quantifier l'incertitude et a estimer le risque encouru dans les recommandations est considerée comme bonne, mais le cout et la disponibilite de l'information et de l'expertise requises pourraient empecher l'usage de ces techniques pour de nombreux stocks...

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Dana Hintz**

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
