

Deck Patio Idea Book Outdoor RoomsShade and ShelterWalkways and Pat Taunton Home Idea Books

By Julie Stillman

Taunton Press. Paperback. Book Condition: New. Paperback. 172 pages. Dimensions: 10.7in. x 9.1in. x 0.6in. No longer just a bland square of pressure-treated lumber nailed to the back of the house, decks have taken on new shapes, surfaces, and levels. And patios have evolved from dull slabs of poured concrete to encompass a wide range of forms and materials--from warm brick to chic bluestone to casual gravel. Taunton's Deck and Patio Idea Book is a photographic exploration of the possibilities for these spaces, and the features that define them, including railings, built-ins, and overhead structures. Hundreds of photos depict the full spectrum of styles and sizes, from the simple wraparound deck, to the curved, multilevel redwood deck with outdoor kitchen; from the small brick patio to an elaborate series of terraced patios with stone walls. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
