

Careers in the United States Marines

By Institute for Career Research

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. The Few. The Proud. The Marines. CHOOSING A CAREER IS NOT A decision to be made casually. You could spend the rest of your life pursuing the goals you choose today. You owe it to yourself to gather as much information as you can about the career choices that interest you. Reading this report will get you off to a good start. A career is more than a succession of jobs. A career should come with a paycheck, but it should also come with deep personal satisfaction and the knowledge that your efforts are leading somewhere worth going. Feeling that you are contributing to something larger than yourself is an excellent motivator. The fact that you have chosen to read a report on careers in the United States Marine Corps says very clearly that you want a career that will definitely lead you to places worth going, and that you don t mind overcoming a few challenges to get there. Whether you commit to a long-term career or just stay in the service long enough to learn valuable...

Reviews

An extremely wonderful book with lucid and perfect information. It is one of the most awesome publication i have read. Your life period will probably be enhance the instant you total looking at this pdf.

-- Prof. Dan Windler MD

It is really an amazing publication i actually have at any time read. It is really simplistic but unexpected situations inside the 50 percent of your pdf. Its been written in an exceptionally simple way in fact it is just right after i finished reading this ebook where actually transformed me, alter the way i really believe.

-- Dr. Celestino Spinka III
