*This book is great. I have go through and so i am confident that i will going to read through once again again in the future. I am just easily can get a satisfaction of looking at a written book.*  
(Miss Vernie Schimmel)

## LAND PACTS

21st Century Books, 4D, 1997. Hardcover. Book Condition: New. First Edition. At the beginning of the 1800's, the sixteen states of the United States of America occupied a thin strip of land that ran from the Atlantic Ocean west to the Mississippi River. The new nation occupied less than a million square miles. By the end of the century, the nation tripled its holdings. Three pacts - the Louisiana Purchase, the Alaska Purchase, and the Guadalupe-Hidalgo treaty - brought vast land holdings to the United States. The history behind these treaties is a tale of idealism and political intrigue, diplomacy and bloodshed. It is also the story of America's growth from a fledgling nation to a world power. This copy is in new condition with an unblemished hardcover having sharp edges and corners. The binding is tight and the pages are clean, crisp, unmarked and uncreased. This is a remarkable book and is in condition. ; Pacts and Treaties Series; 0.5 x 9.1 x 6.1 Inches; 128 pages.
