Park Publishing, Inc., United States, 2011. Paperback. Book Condition: New. 43rd. 213 x 140 mm. Language: English . Brand New Book. Revised and completely updated for the 2011 National Electric Code, this small manual continues its 78-year history of demonstrating how to install safe, convenient, and economical wiring. Encouraging readers to tackle jobs small and large, the guide covers everything from repairing a table lamp to wiring a whole house. After introducing the basics--standards, codes, safety practices, and an overview of how electricity is measured and delivered--chapters show how to design a layout for lights, switches, and receptacles; run a line from a utility pole; install wires, circuits, and grounds; and handle special projects such as replacing old wiring and wiring detached garages and accessory buildings.
