Reviews

This publication is fantastic. it was actually written very completely and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Joana Ziemann)

Baen Books. Book. Book Condition: new. BRAND NEW, Sunset of the Gods, Steve White, The sequel to the tough and gritty time travel thriller, Blood of Heroes! Jason Thanou is a time traveler with a past - and a burning mission. When the gods of ancient Greece proved to be not only monstrously real, but totally alien - and poised to dominate humanity forever - Jason took care of the situation, at least in Minoan Crete. Now he's got what looks like a normal assignment: to lead a time traveling expedition of scholars to the battle of Marathon and record for the benefit of future historians the magnificent stand of Greece's hoplite warriors against Persian invaders. But the Olympians aren't done with their attempt to dominate humanity. Now the god Pan is afoot in Greece - a creature who may have the power to turn ancient Athens away from her budding democracy and toward a corrupt future on an Earth dominated by twisted humans and evil alien forces. But not if Jason can discover Pan's secret, thwart a conspiracy that stretches for millennia, and save the birthplace of democracy from the corruption of the gods!.
