

## Appendix to Official Map of Railroad Freight Classification Territories and Freight Traffic Association Territories: Issued Under Direction of Central Freight Association (Classic Reprint)

By Eugene Morris

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Appendix to Official Map of Railroad Freight Classification Territories and Freight Traffic Association Territories: Issued Under Direction of Central Freight Association The extra-territorial applications of the respective classifications are only applicable when through joint rates are in effect from and to points mentioned as subject to the extra-territorial applications, except as may be otherwise specifically provided. In case no extra-territorial application is provided from one classification territory to another, i.e., inter-territorially, the classifications applicable to the shipment will be those governing the rates to and from the basing point or points (as the case may be) on which the through rate is to be made. The basing point may be located on the border of the classification territory or may be an interior junction point. Illustration. - There is no extra-territorial application of the classifications from New York, N. Y., to Omaha, Neb., proper, or vice versa; hence, traffic from New York City to Omaha proper would be subject to the Official Classification to the Mississippi River or an intermediate junction if lower through rates...
